RE: report of thefts (2X),

DATE: June 18, 2014 A.D. 18 U.S.C. 1001 (felony)

Greetings Your Honor et al.:

Comes now the United States ex rel. Paul Andrew  
 Mitchell, Citizen of Washington State and  
 Private Attorney General, to supplement  
 RELATOR'S FOURTH VERIFIED CRIMINAL COMPLAINT ("VCC")  
 and to provide formal NOTICE of same to  
 all whom it may concern, as follows:

For any and all vacuum heads who may read  
 this SUPPLEMENT at any time in the future, there  
 is this thing called the "Internet;" and, the many  
 occurrences of "private attorney general" cases can  
 be easily browsed by using the GOOGLE search  
 engine to find "United States ex rel." and/or  
 "United States ex relatione". Now, that wasn't  
 too difficult, was it? How many "hits," please?

Relator now specifically complains that said  
 FOURTH VCC appears to have been stolen  
 by personnel of the Washington County Justice  
 Center in Akron, Colorado, while Relator was

briefly detained there en route to FDC Seatac, for a second "psychological evaluation."

To the best of his recollection, said FOURTH VCC alleged one or more violations of the Federal criminal statute at 18 U.S.C. 242 (deprivation of a Fundamental Right guaranteed by the U.S. Constitution; misdemeanor).

Relator's legal research and related documents were confiscated at Akron, and placed in a flat rate Express Mail box. Then, Relator is informed that the contents of that box were removed, and a subset of those contents was moved to a flat rate Priority U.S. Mail box, to minimize postage fees.

During the transfer of those contents, Relator suspects that jail staff at Akron, Colorado, corruptly failed to transfer the following:

- (a) FOIA Request for credentials of personnel employed in the Office of the Federal Public Defender in Cheyenne, Wyoming;
- (b) Request for Investigation by the Office of the Federal Public Defender in Cheyenne;
- (c) MOTION FOR WRITS OF HABEAS CORPUS to the U.S. Office of Personnel Management, and the U.S. Office of Management and Budget, both located in Washington, D.C.

As such, items (a), (b), (c) and VCC4 are now stolen!

In a similar fashion, a 4-inch stack of Relator's legal research and related documents was likewise confiscated by "R&D" staff at FDC Seatac, upon Relator's second departure from that BOP facility. Even though Relator witnesses said R&D staff place those documents in a cardboard shipping box and address it to Relator's legal assistant, the latter assistant has now confirmed that no such box was ever delivered to him, whether by USPS or some private courier. As such, that 4-inch stack of legal research and related documents is hereby reported as stolen too. See: FIRST SUPPLEMENT TO RELATOR'S FIFTH VCC (6/17/2014).

Respectfully submitted,

Signed: Paul Andrew Mitchell (chosen name)
